Bring your biggest marketing challenge. Get a professional diagnosis, actionable advice, and clear next steps.

Most businesses don't have a marketing problem. They have a decision problem.

If you're a business owner, entrepreneur, nonprofit leader, or local operator in Boulder City, this event is your opportunity to sit down one-on-one with a Fractional CMO and get clarity on what's actually holding your marketing back.

This is not a networking event. This is not a sales presentation. This is not a generic "pick my brain" coffee meeting.

Instead, think of this as a marketing clinic.

Bring your website, social media, advertising campaigns, branding questions, lead-generation challenges, or growth frustrations. We'll spend 20 minutes identifying the real issue, discussing practical solutions, and outlining the next steps that make the most sense for your business.

You will leave with:

- *A professional assessment of your marketing challenges*
- *Actionable recommendations you can implement immediately*
- *Clarity on what's working, what's broken, and what to prioritize next*
- *A better understanding of where your business sits on the Marketing Minus Zero framework*

Over the past year, I've worked with organizations across the country as a Fractional CMO, helping leadership teams identify waste, restore clarity, and build marketing systems that actually produce results. My work has included rebuilding marketing operations, eliminating unnecessary spending, improving lead generation, and helping organizations stop confusing activity with progress.

This clinic is designed for business owners who are serious about growth and want honest feedback—not marketing jargon.

Who Should Attend?

- *Small business owners*
- *Entrepreneurs*
- *Nonprofit leaders*
- *Restaurant and hospitality operators*
- *Professional service firms*

- *Anyone responsible for generating customers and revenue*

What to Bring

- *Your website*
- *Your social media accounts*
- *Recent marketing materials*
- *Specific questions or challenges*
- *An open mind*

What You'll Get

Every participant receives a focused one-on-one working session designed to diagnose the real issue before recommending tactics. The goal is to identify where your business may be operating below the conditions necessary for marketing success and what must be fixed first.

Space is limited to ensure meaningful conversations and personalized attention.

Reserve your spot today and bring your biggest marketing challenge.

Coffee With a Marketer: In-Person Marketing Clinic (Henderson)

Coffee Religion Reading Room

2654 West Horizon Ridge Parkway

Henderson, NV 89052

9:00 am - 12:00 noon

Julianna Martinez, (571) 686-2522

julianna@marketerontherun.com

Bring your biggest marketing challenge. Get a professional diagnosis, actionable advice, and clear next steps.

Most businesses don't have a marketing problem.

They have a decision problem.

If you're a business owner, entrepreneur, nonprofit leader, or local operator in Henderson, this event is your opportunity to sit down one-on-one with a Fractional CMO and get clarity on what's actually holding your marketing back.

This is not a networking event.

This is not a sales presentation.

This is not a generic "pick my brain" coffee meeting.

Instead, think of this as a marketing clinic.

Bring your website, social media, advertising campaigns, branding questions, lead-generation challenges, or growth frustrations. We'll spend 20 minutes identifying the real issue, discussing practical solutions, and outlining the next steps that make the most sense for your business.

You will leave with:

- *A professional assessment of your marketing challenges*
- *Actionable recommendations you can implement immediately*
- *Clarity on what's working, what's broken, and what to prioritize next*
- *A better understanding of where your business sits on the Marketing Minus Zero framework*

Over the past year, I've worked with organizations across the country as a Fractional CMO, helping leadership teams identify waste, restore clarity, and build marketing systems that actually produce results. My work has included rebuilding marketing operations, eliminating unnecessary spending, improving lead generation, and helping organizations stop confusing activity with progress.

This clinic is designed for business owners who are serious about growth and want honest feedback—not marketing jargon.

Kids, or non-bratwurst fans can get a hot dog, chips and drink for only \$5. And of course you can get yourself a cold craft beer or a margarita for only \$5 as well! A variety of foods can also be purchased at the assortment of food trucks they will also have on hand!

This year they have expanded the \$1 Basket Raffle (also known as a "Tricky-Tray") where you can purchase tickets to place toward one or more of EIGHTY amazing gift baskets full of a huge assortment of items! All of these proceeds directly fund the Boulder City High School Scholarship Fund, helping local students pursue their higher education goals! The Basket Raffle is open until 3pm so be sure to get there and load up your tickets in hopes of winning your favorite items!

A blend of Irish and popular music and everything in between and led by Marty Feick, a seasoned veteran singer/guitar player, who has supported national acts such as .38 Special and Modern English, the Whisky Fiddlers' performances are fueled by sophisticated guitar looping and dueling improvisation between members. Violinist Megan Wingerter is conservatory-trained powerhouse fiddle player who has played with artists such as Michael Buble and Phantom of the Opera star, Sarah Brightman. Sarah Chaffee is a conservatory-trained cellist who composes and arranges music for artists all over the world and is a member of David Perrico's Pop Strings who is the house band for the Las Vegas Raiders. Sarah has graced the stage with Aerosmith during their last Las Vegas residency.
