2026 Brazil Aeromedical Trade Event

United States Consulate, U.S. Consulate

8am - 6pm Time zone in Bras lia Federal District, Brazil (GMT-3)

The Brazil California Chamber of Commerce is proud to support the 2026 Brazil Aeromedical Trade Event, organized by the U.S. Commercial Service Brazil, taking place June 21–23, 2026 in S o Paulo.

This exclusive, immersive program is designed to give U.S. companies a competitive edge in one of the world's fastest-growing aeromedical markets. Participants will gain direct access to Brazil's aeromedical ecosystem through expert briefings, high-level networking, and strategic engagement with key industry stakeholders from both the public and private sectors.

The event will feature insights from the Brazilian Aeromedical Association (ABOA), as well as opportunities to connect with leading operators, government representatives, and decision-makers across healthcare, defense, and aviation.

Attendees will also benefit from customized business matchmaking sessions, presentations to Brazilian executives, and in-depth discussions on market trends, regulations, and commercial strategies for successful market entry and expansion.
