This 5K course has a variety of surfaces including asphalt, brick, boardwalk, crushed rock, and grass. There is a combination of up hills, down hills, tight turns and flat stretches throughout the course. Native Michigan woodlands are in abundance along with a wide variety of zoo animals to catch your eye. Highlights also include panoramic views of the African savannah with herds of giraffe, zebra, antelope, and more. This is a truly unique venue for a 5K event, and beyond its distinctive setting, participating in the Cheetah Chase 5k is not only a fantastic way to stay active but also an excellent opportunity to contribute to a meaningful cause. This event serves as a great platform for fundraising, playing a vital role in supporting Binder Park Zoo's impactful conservation message and initiatives.

Enjoy a delightful array of beer and wine samples from local, regional, and national brands. Savor delectable eats from local food trucks and relish chef-prepared bites from the zoo's restaurants. Immerse yourself in the sounds of live music playing throughout the zoo as you explore, and rest assured, you can visit your favorite animals without the kiddos – it's our secret!
