*This 5K course has a variety of surfaces including asphalt, brick, boardwalk, crushed rock, and grass. There is a combination of up hills, down hills, tight turns and flat stretches throughout the course. Native Michigan woodlands are in abundance along with a wide variety of zoo animals to catch your eye. Highlights also include panoramic views of the African savannah with herds of giraffe, zebra, antelope, and more. This is a truly unique venue for a 5K event, and beyond its distinctive setting, participating in the Cheetah Chase 5k is not only a fantastic way to stay active but also an excellent opportunity to contribute to a meaningful cause. This event serves as a great platform for fundraising, playing a vital role in supporting Binder Park Zoo's impactful conservation message and initiatives.*
