Battle Mountain, NV 89820

10:00 AM - 02:00 PM PST

Frontier Community Coalition,

Our food and clothes pantry/distribution program is dedicated to providing essential items to individuals and families in need within our community. We understand the importance of access to nutritious food and clean clothing, and strive to alleviate the burden of financial hardship for those facing difficult circumstances.

Our pantry offers a wide variety of non-perishable food items, including canned goods, grains, pasta, and other staple foods. Additionally, we provide fresh produce when available, as well as hygiene products such as soap, toothpaste, and feminine hygiene products. Our goal is to ensure that everyone has access to the basic necessities for a healthy and dignified life.

In addition to food assistance, our distribution program also offers gently used clothing for men, women, and children. We believe that having appropriate attire can boost self-esteem and confidence, especially during job interviews or important events. Our selection includes seasonal clothing items such as coats in winter and sandals in summer.

We are committed to serving our community with compassion and respect. Our pantry/distribution program operates on a regular schedule to ensure consistent support for those in need. We welcome all individuals who require assistance without judgment or discrimination.

If you or someone you know is in need of food or clothing assistance, please reach out to us. We are here to help provide relief during challenging times.
