The Food Bank of Northern Nevada Mobile Harvest is a vital community resource that brings fresh, nutritious food directly to individuals and families in need. This mobile distribution program travels to underserved areas throughout the region, providing access to essential groceries for those facing food insecurity. With a focus on delivering a variety of fruits, vegetables, dairy products, and other perishable items, the Mobile Harvest helps to ensure that all members of our community have access to healthy and nourishing meals. Through this innovative initiative, the Food Bank of Northern Nevada is able to reach individuals who may face barriers to accessing traditional food assistance programs, ultimately working towards a more equitable and hunger-free community.
