The Candidate Forum is designed to provide an opportunity for the business community to learn more about the candidate's views on policies that directly affect the business environment in Corvallis, Benton County, and the state. This event aligns with our commitment to civic engagement and promoting an active and informed citizenry. The Chamber will be asking questions of the candidates related to their position on supporting businesses and a thriving economy in our community. We extend an invitation to all residents, businesses, and community organizations to join us on April 10th for an evening of civic involvement, as we collectively shape the future of Corvallis.
