Welcome to Medicare Online Workshop!

ZOOM Online Workshop

10:00 AM - 12:00 PM PST

Victoria Brennan, 5308986715

vbrennan@csuchico.edu

The 2024 Welcome to Medicare Workshop is designed to empower, educate, and assist Medicare-eligible individuals. Passages – HICAP (Health Insurance Counseling & Advocacy Program) is announcing the 2024 Welcome to Medicare Webinar series for those turning 65, or younger adults who will be entitled to Medicare due to a disability. Beneficiaries have several choices around when and how to enroll. Oftentimes understanding the different parts of Medicare, when to enroll, and which type of care is not covered by Medicare can seem complicated. In this Workshop, we provide an informative path that guides those aging into Medicare with understanding the options available to them, and where to get help with their decision-making.

Workshop Details:

- Medicare Part A, B, and Part D
- Medicare Advantage - Part C
- Medigaps - Supplemental Insurance Plans
- Programs to reduce Medicare costs
- Avoiding Medicare insurance fraud/scams
