The National Fire Protection Association's (NFPA) Firewise USA Program encourages local solutions for safety by involving homeowners in taking individual responsibility for preparing their homes from the risk of wildfire. Firewise is a key component of Fire Adapted Communities or a collaborative approach that connects all those who play a role in wildfire education, planning, and action with comprehensive resources to help reduce risk. To save lives and property from wildfire, NFPA's Firewise USA program teaches people how to adapt to living with wildfire and encourages neighbors to work together and take action now to prevent losses. Movie: "The Ministry of Ungentlemanly Warfare"

Town Hall Theatre

469 Main Street

Quincy, CA 95971

07:00 PM - 09:00 PM PST

Based upon recently declassified files of the British War Department and inspired by true events, The Ministry of Ungentlemanly Warfare is an action-comedy that tells the story of the first-ever special forces organization formed during WWII by UK Prime Minister Winston Churchill and a small group of military officials including author Ian Fleming. The top-secret combat unit, composed of a motley crew of rogues and mavericks, goes on a daring mission against the Nazis using entirely unconventional and utterly "ungentlemanly" fighting techniques. Ultimately their audacious approach changed the course of the war and laid the foundation for the British SAS and modern Black Ops warfare.

?• This 120 minute Action Comedy is Rated R for strong violence throughout and some language.
