We want women in engineering to become the norm.

It will be a fun half day of learning and include hands on engineering activities as well as a discussion about careers with women engineers. Lunch will be included.

Join us for a fun-filled day out at Tapawingo for the Fenton Chamber's most popular fundraiser; this event sells out each year with over 40 teams! Four-person teams play 18 holes in a scramble format at Tapawingo National Golf Club in Sunset Hills which provides three unique and challenging courses with well-maintained grounds and beautiful scenery. Proceeds from the tournament go towards facilitating new Chamber programs and growing the FACC Scholarship Fund. To date, the Fenton Chamber has awarded over \$360,000 to area high school graduates.

Here's what you can look forward to:

Four-Person Scramble: Work together as a team with the scramble format in which each player tees off on every hole and the team chooses the best shot. This is a great way to have fun, be competitive, and maybe even shave some strokes off your score!

Challenge Yourself at Tapawingo: Test your skills on the beautiful Tapawingo National Golf Club course. With its stunning scenery and well-maintained greens, this course offers a challenge for golfers of all abilities.

More Than Just Golf: Enjoy a day of camaraderie and friendly competition. Mingle with fellow golfers, enjoy refreshments and on-course contests and beverage stations, then celebrate your achievements at the post-tournament gathering.
