**Goals & Objectives:** *The goal of the North Miami Beach PAL Program is to create a bond between the youth of North Miami Beach and Police Officers through academics, cultural and artistic programming, as well as sports and mentorship; so that the youth are empowered to resist the negative influences of the streets. The North Miami Beach PAL Program vision is to include education, tutoring, arts and crafts, dance, cheerleading, flag football, social services, vocational guidance, entrepreneurship, leadership development, healthy choice initiatives, and field trips. North Miami Beach PAL will provide free after-school and athletic programs and mentorship for youth, ages 5 through 18 years of age.*

*It is vital to keep our youth engaged in activities that will steer them away from trouble. NMB PAL is a youth crime prevention program that provides athletic and educational activities for children, primarily those in high-risk economically disadvantaged neighborhoods. Through a wide range of activities, youngsters are given opportunities to expand beyond the borders of their everyday environment alongside police officers, youth counselors, and volunteers who serve as coaches, teachers, friends, and positive role models. NMB PAL teaches fair play, courtesy and consideration for others, and provides quality programs and activities which contribute to the character, integrity, physical and mental fitness, citizenship, sportsmanship and personal well-being. It is all about "Cops Helping Kids Succeed!"*

*Join us to give back to the community by serving the youth of North Miami Beach and know that you are making a real difference in their lives.*
