The Kearney Business Group is a group of small business professionals that support each other's businesses through education, networking and referrals.

All businesses face some of the same difficulties from time to time. We found that we can work through these common struggles together and leverage our shared interests to build the success of each of our businesses.

Our meeting discussions consist of business development topics, common business practice discussions, guest speakers from the community, and more! Come grow your business with us!

Join us at 8:30am at the Kearney Chamber of Commerce, 190 W State Route 92 Hwy, Kearney for networking and information!

Meets on the 1st and 3rd Fridays at 8:30am every month.

Gear Up for Growth with our Virtual Marketing Event!

Big marketing ideas for Missouri's small businesses!

Marketing in Missouri isn't just business—it's storytelling, grit, and a little bit of Show-Me spirit.

Around here, you've got to be part Mark Twain, part Walt Disney, and a little bit Patrick Mahomes—creative, bold, and ready to make big things happen on a small budget.

The Missouri Small Business Marketing Bootcamp takes a practical, no-fluff approach—guiding you through branding, storytelling, social media, and digital marketing, all tailored to Missouri's small businesses. Whether you're running a café in Kansas City, a boutique in St. Louis, a service company in Columbia, or a shop on Main Street in a small town, this Bootcamp gives you the strategies and confidence to step up to the plate and knock your marketing out of the park.

Because in the Show-Me State, we don't just talk about great marketing—we show it.
