Redwood High School Foundation - Get on the Fence Advertising Program!

09:00 AM - 05:00 PM PST

As this school year draws to a close, we'd also like to share the opportunity to support Redwood HS through the "Get on the Fence Program"!

Reach a Valuable Audience and Make a Difference for Redwood High School!

The Redwood High School Foundation (RHSF) offers a unique opportunity for local businesses to invest in the future of our community while gaining valuable exposure.

As the primary fundraising arm for Redwood High School, RHSF works in close collaboration with the school to provide critical resources that go beyond state and local funding. These funds support innovative programs, cutting-edge technology, and equitable educational opportunities for all Redwood students.

By partnering with RHSF, your business directly contributes to a thriving educational environment that benefits our entire community. Our annual fundraising goal of \$1.2 million supports a wide range of needs, from classroom innovation and academic support to the arts, athletics, and vital programs like the Wellness Center.

Becoming a RHSF partner provides your business with visibility among over 1,500 Redwood High School families and extends your reach to our neighbors throughout Marin. With four distinct entry levels, participation is accessible for businesses of all types and sizes.

Join us by making a tangible difference in the lives of Redwood students while elevating your business within the larger Redwood community. "Get on the Fence" today!
