Distinguished Speaker Series - Marching Towards a More Perfect Union

Lewis and Clark Center

100 Stimson Ave.

Fort Leavenworth, KS 66027

05:30 PM - 08:00 PM CST

You are invited to a Distinguished Speaker Series dinner event on May 20, 2026, in the atrium of the Lewis and Clark Center on Fort Leavenworth, Kansas (100 Stimson Ave.). A reception begins at 5:30 p.m., the buffet dinner starts at 6 p.m. and the presentation will begin at 7 p.m.

Tickets are \$35/person in advance or \$40/person at the door.

In recognition of the 250th anniversary of our United States, this edition of the Distinguished Speaker Series features a presentation on civic duty by Jason J. Galui, director of the Endicott Center for Civic Participation. On Sept. 17, 1787, delegates in Philadelphia signed an ambitious document creating the framework for realizing the self-evident truths stated in the Declaration of Independence. For more than 238 years, the Constitution of the United States has been vigorously supported, challenged, and defended by generations of Americans. If "We the People" are committed to securing the "blessings of liberty to ourselves and our posterity," then each of us has essential duties and obligations to perform – as individuals and as a collective – in order to form a more perfect union.

NOTE: Guests without military ID or CAC card must also pre-register to access Fort Leavenworth using the Visitor Registration Portal no more than 10 days and no less than 24 hours before the event - https://pass.aie.army.mil/steps/branch_selection.

The goal of the Leavenworth-Lansing Area Chamber's Military Affairs Council (MAC) is to advance the pro-business climate in the area through military affairs initiatives, and to maintain and enhance the business community's relationship with Fort Leavenworth.

Operation Santa Fe IV

35278 203rd St.

Easton, KS 66020

12:00 PM - 05:00 PM CST

The goal of Operation Santa Fe, as with all MARS events, is to create an immersive and authentic environment, which seeks to replicate the life of the average infantryman within a company vs company engagement. We accomplish this using airsoft as a medium of combat, establishing correct chains of command, realistic issuance of combat orders, and controlled distribution of munitions and rations.

Operation Santa Fe is set in the III Corps Tactical Zone in November, 1967. Units represented include:

- > U.S. Army's 4-39th, 9th Infantry Division
- > Australian Army's 7th Battalion, Royal Australian Regiment
- > Army of the Republic of Vietnam, 18th Infantry Division
- vs -
- > Peoples Liberation Armed Forces, 274th Main Force Regiment, 5th Viet Cong Division
- > D445 Provisional Mobile Battalion, Regional Force Viet Cong

The event is nonstop from the moment it begins. There are high authenticity regulations in place, as well as specific units that are portrayed at the event. More information can be found on the website about these impressions along with their authenticity guidelines.

Authentic rations and the ammunition will be supplied by MARS for Operation Santa Fe.

The goal of the Leavenworth-Lansing Area Chamber's Military Affairs Council (MAC) is to advance the pro-business climate in the area through military affairs initiatives, and to maintain and enhance the business community's relationship with Fort Leavenworth.

The Military Affairs Council works to grow and sustain not only Fort Leavenworth, but other Department of Defense operations in the area. The MAC functions as a liaison between the local military and business communities, implementing programs which provide greater interaction between Chamber members and DOD/military personnel. The MAC hosts various events throughout the year that help to further our community relationships and honor military service.

MAC Meetings are held on the first Tuesday of every month.

Military Affairs Council Meetings are open only to members of the Chamber of Commerce (or representatives thereof) as well as any members of military leadership.

The Gothic Line X
35278 203rd St.
Easton, KS 66020

Begins 12PM October 10

The goal of The Gothic Line is to create an immersive and authentic environment, which seeks to replicate what the front line was like and to give a glimpse into what life was like for the average infantryman within a company vs company engagement on The Gothic Line in October 1944.

The Gothic Line X is a WWII Full Immersion, Historical event from Saturday, October 10 to Saturday, October 17 hosted by MARS. The event is nonstop from the moment it begins. There are high authenticity regulations in place, as well as specific units that are portrayed at the event. More information can be found on the website about these impressions and their authenticity guidelines.

Authentic rations and the ammunition will be supplied by MARS for The Gothic Line. There is a Training Event hosted by MARS for The Gothic Line, in Spring 2026. We encourage all future participants of Gothic Line to attend to learn more how these units would operate historically.

Training Event: > TBD

If you are unable to arrive on October 10th, do not worry, there are methods in place for "replacements" arriving to The Gothic Line. Despite arriving late as a replacement, you will still be in the event for the remainder of its entirety. Please reach out if this is the case for you.

If you have any questions, please post them on the event page, on the Facebook group, or you can email Contact2MARS@gmail.com
