Business Workshop: ?Film Better Content in 60 Minutes ? No New Phone, Gear or Creativity Required

11:30 AM - 01:00 PM PST

events@mercerislandchamber.com

If you have been enjoying the new Amplify Mercer Island reel series, then you won't want to miss this workshop.

Film Better Content in 60 Minutes — No New Phone, Gear or Creativity Required

Video is king on Instagram, but what if everything you take looks a little...

"meh?" Well good news: you do not need a new phone, expensive gear, or track down your high school niece to capture good content. You just need 60 minutes and a no-fail filming technique.

This month's chamber meeting features a hands-on video skills session with Sheena Kalso of Behind Your Scenes. Sheena teaches business owners, retailers, and service professionals how to film content that actually looks good — using nothing but the phone already in their pocket.

She calls it the BYS Method. It is a repeatable, no-fail formula that removes the guesswork from content creation and replaces it with simple habits you can use every single day.

In 60 minutes you will learn:

How to hold your phone like a pro (this alone changes everything)

Which lens to use and when

A simple filming framework that gives every video a beginning, middle, and end

How to capture great footage in any environment, any lighting, any situation

No experience required. No creative instincts needed. Just bring your phone.

Sheena has helped dozens of non-techy, non-creative business owners become confident content creators. You won't consistently show up on social media if you don't feel confident in what you capture. This session fixes that.

Thursday, May 21st

11:30am-1:00pm

The Rock- Mercer Island

7605 SE 27th St

Members: \$15

Guests: \$20

Light snacks and water provided, but feel free to bring your own lunch to enjoy.

Women in Business Workshop: Winning in Friendship: The Relationship Strategy Every Woman

11:30 AM - 01:00 PM PST

Jen,

jen@mercerislandchamber.com

Wednesday, June 3

11:30am-1:00pm

Location sent after registration.

Join us for our first Women in Business Workshop with guest Moni Giles, owner of Evolve with Moni.

Topic: Winning in Friendship: The Relationship Strategy Every Woman in Business Needs

Your network is only as strong as your ability to build & retain strong relationships. In this powerful friendship workshop, Moni introduces her R.A.R.E. framework to help women redefine how they show up in friendships and in business. This experience is designed for women entrepreneurs who are ready to strengthen their trust factor, build authentic connections, and become more reliable, aligned, and impactful in every room they enter.

Because when your mindset around friendship shifts, your confidence, network, and opportunities expand with it. This isn't just about connection—it's about becoming the kind of woman people trust, refer, and grow with. Starting with yourself.

Moni is a Community Builder & Connector and the owner of Evolve With Moni LLC, a social and self-development platform designed to help women connect to aligned & meaningful relationships, grow in purpose, and find true fulfillment.

She leads three powerful communities designed for different areas of growth:

Friendship Community—A transformational space rooted in her signature 4-week "Winning in Friendship" experience, where women learn how to build reliable, authentic, and long-lasting relationships using the R.A.R.E. framework.

Women on the Rise (Faith-Based Networking Community)—A purpose-driven community that brings women together through events, workshops, and shared experiences to grow in faith, business, and aligned connection.

True Accountability Program (TAP)—A results-focused space for women ready to take action on their goals with structure, support, and community accountability.

At her core, Moni is passionate about helping women find their people, elevate their mindset, and thrive in communities that feel like home because she believes happier women create a happier world.

Registration required. Open to chamber members and their staff only.

Drinks and snacks provided. You are more than welcome to bring your own lunch to enjoy.

To protect the privacy of participants and the integrity of the presentation, audio and video recording of this workshop is not allowed.

MICC Board of Directors Meeting

08:00 AM - 09:00 AM PST

The Chamber's Board of Directors meets monthly to review organizational business, financial reports, and strategic initiatives. These meetings provide an opportunity for the board to discuss ongoing programs, evaluate progress toward goals, and make decisions that guide the Chamber's operations and community impact.

This is a regularly scheduled governance meeting of the Chamber's leadership team.

This is a closed meeting.
