Transform Workplace Drama: 3 Vital Questions®

The Training Place - Skyway Center
2480 Notre Dame Blvd
Chico, CA 95928
09:00 AM - 12:00 PM PST
The Training Place, 5308959015
TheTrainingPlace@butte.edu

Workplace drama is draining—whether it's a difficult colleague, a critical boss, or just the daily grind, it leaves many professionals feeling stuck and reactive. This interactive 3-hour workshop offers practical strategies to shift from frustration to clarity by helping participants identify unproductive patterns and step into more empowering roles. Ideal for professionals, team members, and managers ready to increase their self-awareness, improve collaboration, and lead with greater purpose.

Learning Objectives:

Recognize personal triggers and shift out of drama into constructive, empowering responses.

Apply the 3 Vital Questions® framework to make creative, purpose-driven decisions.

Improve communication and leadership by using the Creator, Challenger, and Coach roles.

Why This Matters for Your Organization:

Reduce tension and emotional reactivity in workplace interactions.

Foster a more collaborative and emotionally intelligent team environment.

Improve decision-making, engagement, and overall work satisfaction.

Ready to move from workplace tension to purpose-driven leadership? Register today and discover the power of mindset transformation!

Trainer Bio: Laura Cootsona is a certified trainer for the 3 Vital Questions® and The Power of TED (The Empowerment Dynamic) frameworks. With over 30 years of experience as a management consultant—22 of them in Chico, CA—Laura empowers individuals and teams to work together more effectively and align their contributions with what matters most.

NOTE: Bring your own laptop, or use one provided in the classroom. A trusted and safe AI Platform will be provided for the class and 30 days after completion. (2-Part Series March 2nd & March 9th, 2026 9AM-12PM)

AI has the potential to transform professional workflows, but leveraging it effectively requires more than just basic usage. This two-part workshop series helps professionals across all departments develop a strategic understanding of AI while gaining extensive hands-on practice. Participants will master advanced prompting techniques, create custom AI assistants, and develop practical AI integration plans to enhance productivity and efficiency.

Learning Objectives:

Understand how large language models work and their real-world applications.

Identify and mitigate common AI pitfalls like hallucinations and bias.

Apply advanced prompting techniques for more accurate, detailed results.

Design custom AI assistants tailored to specific business needs.

Why This Matters for Your Organization:

Boost productivity by integrating AI into daily workflows.

Improve accuracy with AI-driven insights and refined outputs.

Empower teams with AI tools customized for their roles and challenges.

Ready to take AI from theory to practice? Register today and start optimizing your workflow with AI!

Trainer Bio: Emiliano equips leaders with practical strategies to navigate workplace change, enhance team dynamics, and improve communication. As co-founder of Soligo, an AI-driven learning company, he focuses on using technology to amplify human potential. His engaging, results-driven training creates lasting impact.
