ARPD Board Makes Key Decisions About 2020 Upcoming Events!

CHESTER, CA, (May 14, 2020) — The Almanor Recreation and Park District (ARPD) announces the following changes to its 2020 event program:

Some Tough Decisions! **Our summer events are the primary fund raisers for our District, but due to our concern for the health and safety of our loyal event participants, and to comply with State and County requirements regarding Covid-19, our Board is taking the following steps:**

- Judo & Jujitsu in Chester, CANCELLED until further notice
- Mile High 100 Cycle Ride, POSTPONED to September 5, 2020
- 4th of July Chester Fun Run, CANCELLED

Some Easier Decisions!

- Lake Almanor Poker Paddle, Still Planned for July 25, 2020
- ARPD Fall Youth Soccer Program is now open for online registration AND REGISTRATION IS FREE; but of course, actual play is dependent on State and County guidelines. Practice will begin in August and play will begin in September. All children ages 4-15 are invited.

For parents wanting to register their children, please go to www.yourarpd.org to fill out an on-line form.

If community members are able to make a donation to the ARPD Soccer program, we would be humbled and be incredibly appreciative. If you consider donating, please know that your donation will stay IN the Soccer Program to support our local youth. To make a donation to the ARPD Soccer Program, mail it to ARPD, P.O. Box 325, Chester, CA 96020 OR drop off a check at the office at 101 Meadowbrook Loop.
