Greetings Friends and Neighbors:

We are pleased to announce that the Lake Almanor Community Supper is resuming service again, beginning on Thursday, November 21, 2019.

Our records show that you generously donated time and money to previous community suppers. I am writing to request your participation again for our 2019-2020 suppers. Enclosed is the complete list of dates for this winter's suppers. Volunteers have already responded and are taking care of the first dinner, our annual Thanksgiving celebration on November 15. However, we are hoping that you will enjoy participating again this year and pick a date for a dinner night that your group would like to sponsor.

There are two options for you to consider when volunteering as host for a community supper. Option one is that I cook it for you and the Almanor Basin Food Pantry is reimbursed for the groceries in the amount of \$300. Traditionally, when I cook, the host group provides the dessert. If your group does not wish to do that, we request an additional donation of \$25 to cover the extra food cost. Option Two is that your group does all the cooking and there is no donation fee.

If you would like more information, or wish to participate, please call me at 259-4323 to discuss sharing your time and talents on this popular event. I look forward to hearing from you.

Sincerely,

Carol Franchetti
Community Supper Chairwoman
