ABOUT RMRC

You may know The Ruby Mountain Resource Center (RMRC) for our fantastic thrift store and clothing boutique, and we hope that the community has benefited from our vast inventory. We would also like the community to know about our mission behind the scenes.

RMRC is a beacon of empowerment and inclusivity, and a local non-profit dedicated to providing job training and purposeful, worthwhile work at self-sustaining enterprises for people with intellectual disabilities. Our mission extends beyond employment; we strive to foster independence, personal growth, and a sense of purpose among our participants.

We run two programs to assist participants in a variety of ways. In our Day Habilitation program, our Job Coaches work with the participants on communication, social, and emotional skills through the use of interactive activities. Some of these activities include making crafts, solving puzzles, and interacting with the staff at RMRC. In our Pre-Vocational Program participants work in the thrift store and boutique. They perform an array of jobs including the intake of donations, shredding, and cashiering. Our goal is to assist the participants in developing their communication, social, and workplace skills.

The participants as well as the staff at Ruby Mountain Resource Center love to interact with our community. Please come by the store at 806 River Street in Elko to see all that we have to offer! For any questions about our services and/or monetary donations please contact our Executive Director, Alley Shafer, by calling the center at 775-738-8360 or email exec@rmrcelko.org.

Together, we can build a more inclusive and supportive future for individuals with intellectual disabilities.

Showing Local Love for Valentine's

Valentine's Day is quickly approaching! Have you purchased your gifts for that special someone yet? This Valentine's Day, consider making it extra special by stopping into local shops for some unique gifts that will knock their socks off! Small shops usually have a better selection than the big places, and you're supporting your community too. Here are some more reasons you should shop small for your Valentine.

Money stays Local

When you shop local businesses in your community this Valentine's Day, much more of your money stays local. A recent study estimates that when people shop in their local communities, close to 70% of what you spend stays right there supporting the community. That number is cut in half for the big box stores, and almost nothing stays local when shopping online.

Help Build a Stronger Community

When you shop at a local business, you are supporting your neighbors. Local businesses hire people from their communities, donate to charities, and sponsor kids on the local little league teams. Shopping at a local business means you're helping a family pay their mortgage, send their kids to summer camp, or paying medical bills. You're supporting a person, not a corporation.

It's Fun!

Strolling in and out of little shops is just plain fun! Those small businesses have some cool, unique gifts that you just can't get anywhere else. Sure, plush toys with heart-shaped everything are okay, but they're also made by the millions. You can find things like that at any big-box store. But there are so many unique choices at the local places. Many local shops stock handmade gifts.

Threeby5 Artist and Owner, Chris Vedis is leaving his mark on Elko's artistic landscape. Armed with an Associate degree in visual communications from the Art Institute of Pittsburgh, Chris brings a unique blend of skill and passion to the table. From striking portraits to automotive murals, Threeby5 Artist is a haven for those seeking personalized creations. Chris can add a creative touch whether it's sign painting, window painting, home and business murals, etc. If you've passed by the exterior of the Family Resource Center in Downtown Elko you will view a testament to Threeby5 Artist's transformative power; adorned with a mural that captures the spirit of the community.

In recognition of his exceptional talent, Chris Vedis clinched the prestigious 2023 Elko People's Choice Award for Best Artist. Additionally, his prowess in acrylics secured him a commendable 3rd place at the National 2023 Veterans Creative Arts Festival. In support of the community, Chris also airbrushed a cooler for the 2023 Rides and Rods car show which was auctioned off and raised \$1500 for Zero Suicides Elko County.

As Threeby5 Artist continues to evolve, Chris envisions expanding his artistic horizons. The vision extends beyond mere creations; it's about forging connections and leaving an everlasting imprint on the artistic fabric of Elko.

What sets Threeby5 Artist apart is Chris's personal touch. Every stroke, every color choice, and every project reflects not just technical mastery but a deep connection to the art and the people it serves. Threeby5 Artist isn't just creating art, it's crafting experiences, telling stories, and leaving an enduring mark on the canvas of Elko's creative scene.
