The Estherville Sweet Corn Days Committee is celebrating our 26th Annual Sweet Corn Days on **August 1-August 4, 2024**. We thank you for your participation in last year’s event and we would like to invite you to return as a food vendor this year.

The number of food vendors will be limited again this year. This is an excellent chance to be part of Estherville’s biggest event with thousands of people attending. Sweet Corn Days, sponsored by the Estherville Area Chamber of Commerce, includes many attractions such as a parade, free sweet corn, a merchant market, inflatable rides, a car show, entertainment, kids’ games, live music and much more! Food Vendors can sell food from 8am until 1am on Saturday. To sell at the street dance on Saturday night vendors will need to move to a new location which must be planned in advance. Friday night is geared towards families and has many activities including kid’s games, family shows and fireworks which is another good opportunity for sales.

We continue to strive to improve our show each year, and hope to have vendors with varied types of food specialties. Please note that there is a discount for Estherville Area Chamber Member Businesses. If you would like to join please give us a call!
