The mission of the Fenton Chamber is to promote, support and represent business for the betterment of our members and the community. The organization is made up of more than 450 members of the Fenton area business community, encompassing businesses of all sizes and industries. In addition to funding Chamber programs and operations, the investment of our members also supports our area's youth. Each year, the Fenton Chamber awards thousands of dollars in scholarships to graduating high school seniors throughout the Fenton region and the greater St. Louis area.

We encourage to you to support this fundraising effort in any capacity that you are able. Of course, we hope that you can join us for music trivia!
