

**St. Luke's**  
**URGENT CARE**

# Introducing Virtual **Telehealth** Visits.

St. Luke's Urgent Care understands the importance of social distancing, but know minor illnesses and injuries don't wait.

Now offering a convenient and secure option for patients to connect with our board-certified providers. Video visits allow you to stay connected using a smartphone, tablet or personal computer without leaving the comfort of your home.

**Schedule your virtual visit now at [stlukes-stl.com](https://stlukes-stl.com).**
