

2ND ANNUAL  
CENTRAL FLORIDA HEALTH CARE

*Classy & Comfy Gala*

OCT

THURSDAY

9

6PM - 9PM

2025

HOSTED AT ADAMS ESTATE  
2222 W PIERCE ST, LAKE ALFRED

*“Thank You - from the Heart, for trusting us to provide superior, compassionate healthcare.”*

We cordially invite you to attend Central Florida Health Care's 2nd annual “Classy & Comfy” Gala. It will be an entertaining, *all-white business casual* evening serving an impactful purpose.

Central Florida Health Care is changing lives every day, and your attendance will impact thousands of families in need of affordable healthcare.

Thank you for supporting our efforts to reach every person needing healthcare and community outreach services. We look forward to seeing you at our event.

Ann Claussen & “Sr.” King

**Thank You**  
FROM THE HEART

Central Florida Health Care is working diligently to meet the growing needs of patients, and it is necessary to build two new health centers in Lakeland and Winter Haven. But grants alone cannot accomplish these projects, which is why CFHC has a \$30 Million Capital Campaign underway.

The Lakeland Health Center will be home to a Diabetes Center of Excellence & Teaching Kitchen to help patients manage their disease and improve their health outcomes. The Winter Haven Health Center will be dedicated to administration and healthcare. Both clinics will continue providing a full range of services, including Adult and Pediatric Medical and Dental, OB/GYN, Behavioral Health, Lab and X-ray, and complete Pharmacy services.

The success of the “Thank You” Campaign will ensure that Central Florida Health Care continues to bring high-quality, affordable healthcare, covering the cost of real estate and construction of the health centers, equipment purchases, and staffing.

The Winter Haven Health Center will serve approximately 12,000 additional patients, while the Lakeland Health Center will serve an additional 16,400 patients. The new health centers will allow Central Florida Health Care to bring “Healthcare with a Heart” to nearly 30,000 additional residents in Central Florida and improve the quality of life throughout the region.
