Hello Friends of Central Florida Health Care –

Central Florida Health Care is excited to bring high-quality, affordable and accessible healthcare to the communities of Polk, Highlands and Hardee counties. Within our 13 centers, adults and children have access to medical, dental, OB-GYN, behavioral health, lab, X-ray, pharmacy and optometry services. Our mobile units allow us to extend these services to those who cannot reach us – particularly the elderly and migrant populations. Through a provider partnership, we're now able to bring mammograms to this tri-county area.

As a breast cancer survivor, I know the importance of having annual mammograms. I also know that many of our patients and women in the communities we serve have no or limited access to mammograms. We are on a mission to change that!

**Did you know that 1 in 8 women will develop breast cancer in her lifetime and 3 out of 4 women who are diagnosed have no family history of breast cancer?**

***More than 42,000 women will die from breast cancer this year.***

With early intervention, breast cancer can be treated and often cured, but early detection is critical. Mammograms play a crucial role in early detection. Without insurance, the cost of a mammogram is \$150.

Our Annual Golf Tournament is a way for you to help in the fight against breast cancer - by helping us provide FREE mammograms to the women who cannot afford this potentially life-saving exam. Each team gives us the opportunity to provide FOUR mammograms to women in need. Your sponsorships allow us to reach even more!

This year's tournament will be held on Monday, October 7, 2019 at the award-winning Country Club of Winter Haven. Breakfast and check-in begin at 8am, followed by a shot-gun start at 9am. This fun event will be filled with food, drinks, games, amazing prizes, impressive raffles and the opportunity to make a difference in the lives of so many people in Central Florida.... because breast cancer affects more than just those fighting it.

We hope you're as tee'd off about breast cancer as we are and that you'll join us on October 7th as a sponsor or a golfer to help fight this awful disease. Sponsorship information is included.

If you have additional questions, please don't hesitate to contact our Director of Marketing & Community Relations, Jen Whitten, at 863.845.2556 or [jwhitten@cfhconline.org](mailto:jwhitten@cfhconline.org).

Thank you for your support!

Sincerely,

*Ann Claussen*
