# How It Works

## Buy or Lease your Vehicle Online

Complete the entire process online with one simple, haggle-free price.

- Joydrive lets you buy or lease a new or pre-owned vehicle without visiting a dealership. That means your vehicle purchase is on your time and schedule. Or, do everything ahead of time and pick up in-store.
- Each pre-owned vehicle has had an in-depth background check verified by the Findlay Dealership Member. An accident report can be provided for free by the dealership.
- Once you have found your vehicle, simply place a \$199 fully refundable deposit, you can even pay with Apple Pay. If for any reason you decide not to purchase the vehicle, your entire deposit will be fully refunded.

## Trade-in, Financing & Leasing

A real trade-in offer in less than 5 minutes, no dealership visit required. With Joydrive you can complete your trade-in from home and even secure financing for your new purchase.

- Once you have paid the \$199 fully refundable deposit, you will be directed to your dashboard where you can communicate directly with a Findlay Joydrive rep. Your dashboard is where you can manage the details of your purchase or lease, including your trade-in and any financing that might be required.
- Need financing? You will be given the option to use your own bank/creditunion or select "I'd like financing". Our dealerships utilize a network of lenders that offer competitive and fair rates quickly and efficiently.
- Have a trade-in? Get a real offer, before or after you reserve your new vehicle, in a few simple steps and questions.

## Delivery, In-Store Pick Up & Return Period

Select a delivery time that fits your schedule and take advantage of your 5-day return period to decide if the vehicle is right for you. Or, do everything ahead of time and pick up in-store.

- Select a delivery time and date or coordinate with your Joydrive Dealer Member to pick up in store.
- Delivery is free within 100 miles, and any applicable delivery fee is shown upfront on the vehicle page. We can deliver to your home or place of business.
- At delivery, any funds to be collected must be in the form of a cashier's check. If there are multiple people on a loan or purchasing the vehicle, or multiple names on the trade-in, all parties must be present.
- Valid Government issued ID for each party is needed.
- Want to return your vehicle? With our 5-day return period, you have 5 days and a maximum of 250 added miles from time of delivery.
