Vehicle -Business Sponsorship Form**

The Chamber's tournament has a reputation for being one of the most "fun" tournaments of the year. That's made possible by the active participation from our sponsors. We encourage the business sponsors to take "ownership" in their hole by having someone present to greet the golfers. Represent your business by setting up a table or pop-up tent with your banner and promotional items on the golf course. Host a raffle, run a contest, or play a game with the golfers. The more creative you can be the better. Providing food or beverages is a sure way to get them to remember your business.

Sponsorship forms are due at the Chamber office no later than Wednesday, July 22nd.

Please see below the explanations of Sponsorship and the related benefits.

_____ **Special Sponsorship for Car/Truck, ATV, or Motorcycle dealerships, \$100.** This sponsorship allows each dealership to bring (1) vehicle to display on the golf course with their own signage attached. Magnetic signage is suggested. Sponsors will be listed in the on-course events program handed out at the tournament. Vehicles will all be displayed on the grass area near the putting green or in another area as approved by Country Club staff. Set up must be coordinated with the Kirkville Country Club staff on arrival so that we have room for all sponsoring vehicles.
