PROPERTY MANAGEMENT

Proudly Presents the **13th Annual**
Christmas in July

At Highland Manor
& Beehive Homes

This year's merriment has been scheduled for:

Wednesday, July 24, 2019

At 10:00 AM

Christmas? In July?

Body wash, deodorant, loofahs, lotions, creams & other essential items are popular gifts that seniors receive from their family members at Christmas. Around mid year though, these items start to run out, which can be hard on a senior/resident with little or no family close by. Christmas in July started as a simple idea—to replenish all these comfort items in July, and to bring our seniors some cheer while making sure that they are comfortable and have the items they need year round.

“To care for those that once cared for us is one of the highest honors”
- Tia Walker

We hope that you will consider donating to the program this year...

Through the generosity and support of our community and donors, Christmas in July has evolved into a program that not only supplies our seniors with bare essentials, but a gift box that is prepared with items specifically tailored to their needs. The boxes are wrapped in Christmas paper and delivered to our local care homes, decorated as if it were Christmas. Community Volunteers and staff, decked out in Santa hats, sing Christmas carols down the hallways delivering not only the gifts, but a dose of the Christmas cheer and spirit usually only reserved for December.

Donations directly benefit the seniors at Highland Manor and Beehive Homes. This is a program with no overhead costs. The staff at Highland Manor donate their time and efforts into supplying Colonial Property Management with a list of the residents complete with their sizes, needs and wants. The team at Colonial Property Management collects and sorts through donations and use cash and gift card donations to purchase any items not collected to supplement the gift packages as well as try to fulfill any special requests (special requests are typically items like a neck pillow, sugar free chocolate, hair accessories, etc.) This is done on a completely volunteer basis so that the residents receive the full benefit of your donations.

We hope that you will consider donating to the program this year. We are looking for donations of a personal nature, such as lotions, 2 in 1 shampoo and conditioners, lip moisturizers, shaving creams, perfume/cologne and other hygiene products for both men and women (residents cannot use bar soap, mouthwash, hand soap or hand sanitizer). New clothing items like nightgowns, pajamas, loungewear and sweat suits (Medium-4X for men and women). The ladies also like clip on earrings and wristlet style purses. The popular request from the men is for “Manly scented products” like Old Spice and Axe. Big print word puzzles and other activity books are popular, and of course, snacks like Pringles, chocolate, cookies and crackers are always a big hit!

Monetary donations and gift cards are always very useful and appreciated (like Amazon and Walmart), and will be used to supplement any item of which we do not receive enough donations. Please make checks payable to:

Community Partnerships in Motion to Save Lives

Please mail or drop off your donations no later than Tuesday, July 17th at Colonial Property Management, located at 736 West Pioneer Blvd. # 200, Mesquite NV. 89027. Donations can also be dropped off at the Chamber of Commerce located at 11 W. Pioneer Blvd. (Bank of Nevada building)

Every year the residents rave that “This was the best year yet!” This program is impossible without your support.

For more information, or if you'd like to check on what donations are needed most at any given time, please contact Tiara Lisk at 702-345-2200 or via email at tlisk@cpmlv.com.
