

# Rail District Traffic Box Wraps

**Focus:** District Beautification

**Intended Dates:** August 2023 – July 2028

**Type:** Visual Wrap

**Projected Exposure:**

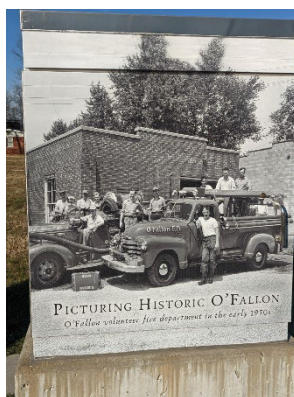

The O'Fallon Community Foundation is working to beautify the O'Fallon Rail District while celebrating our City's history. With nine traffic boxes around the Rail District, we are looking for eight companies to sponsor wrapping these and creating historical features that include pictures of O'Fallon's past. Historical pictures to be used would be selected by the O'Fallon Historical Society and intend to show what the nearest intersection looked like many years ago. An example box can currently be found at the North-West corner of Main Street and Elm Street.
