

Featured Speaker:

Julie Giese

President, Phoenix Raceway

"From a \$178 Million Modernization to the NASCAR Championship " will be the focus of Ms. Giese's discussion. Phoenix Raceway will play host to the NASCAR Championship in 2020 for the first time in history. The announcement comes on the heels of a 21-month, \$178 million modernization project focused on fully immersing fans into the motor-sports experience. We'll take a look at how the 55-year-old facility re-invented the at-track experience that has the NASCAR industry still buzzing more than a year after its unveiling.
