- Heavy appetizers are great for both large and small parties. Since the menu is all finger-foods, it is a good way to keep your guests mingling. Heavy appetizers are perfect for after work get-togethers, birthday parties, graduation parties, budget-friendly weddings, wine or beer tastings, and any event that calls for something unique.
- Creating your own appetizer menu is easy. Choose from our sample menu, or we will work with you to design a custom menu to fit your particular occasion.
- Each item noted below is available at the price shown directly below the item, for Party of 50 or more. Select as many items as you want. Pricing is per person.
