Are you in need of a professional head shot? Perhaps for your business card, website, or social media pages? We have partnered with Michele Kipplen, TCP Member and local photographer, to offer a great deal for your professional business portraits. The cost is \$75.00 per person for members. Flexible scheduling is available for a 30-minute photo session. The package includes minor retouching of photos with an online preview album that includes 3 web-resolution images for direct download.
